

# Research Questions

one

## PAST

- How do we actually **measure** impact of what we have delivered, looking into the past activities?

two

## PRESENT

- How can we build on collective intelligence to **deliver** impact for our current activities?

three

## FUTURE

- How can we **capture** signals and mega-trends to mutually anticipate future impact?

four

## EXTERNAL

- How can we mobilise stakeholder co-creation to inform and strengthen policy that **supports** holistic impact performance?

five

## INTERNAL

- What skills **enable** us to understand, plan, and realise impact across projects, processes, and the emerging impact profession?
